

Mobile Phone and Personal Device Policy

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion or camp.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Students are to hand their mobile phone and/ or device to the front office at the beginning of the school day. They will be securely stored in the front office with student required to sign them in at the start of the day and sign them out at the end of the day.

If the student does not comply

Positive, respectful relationships underpin all interactions at Upper Sturt Primary School and the expectation is that students follow all reasonable instructions and ensure their behaviour promotes the rights of students to learn and teachers to teach.

- Student non-compliance with this policy and/ or the misuse of personal devices may result in disciplinary action which includes but is not limited to restrictions on access to school based technology.
- If repeated non-compliance occurs, the phone and/ or device will be confiscated and securely placed in the office. Parents will be required to collect the phone and/ or device in person from the office and the behaviour will follow the process as outlined in the school Student Behaviour Support Policy.
